Sir:

Submitted herewith are Information Disclosure Statement, Japanese Office Action and two references. One Japanese publication (JP2001-130990) was informed before. The Office Action for JP 2003-175069 is a divisional application from JP2002-265705 (One of the priorities for the U.S. application No. 10/786,084).

Claim 1 was rejected by the references JP S50-142366, JP 2001-130990, and JP S50-81860.

It is certified that the Office Action and the references were cited on August 26, 2008 and each item of information contained in the information disclosure statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the information disclosure statement.
